FutureReady Coach: Data Collection

Identify Student Intentions at Multiple Points

Do they want pathways?

What types of pathways do they value?

Are there unconventional combinations that we have not considered?

What are students' career/learning goals?

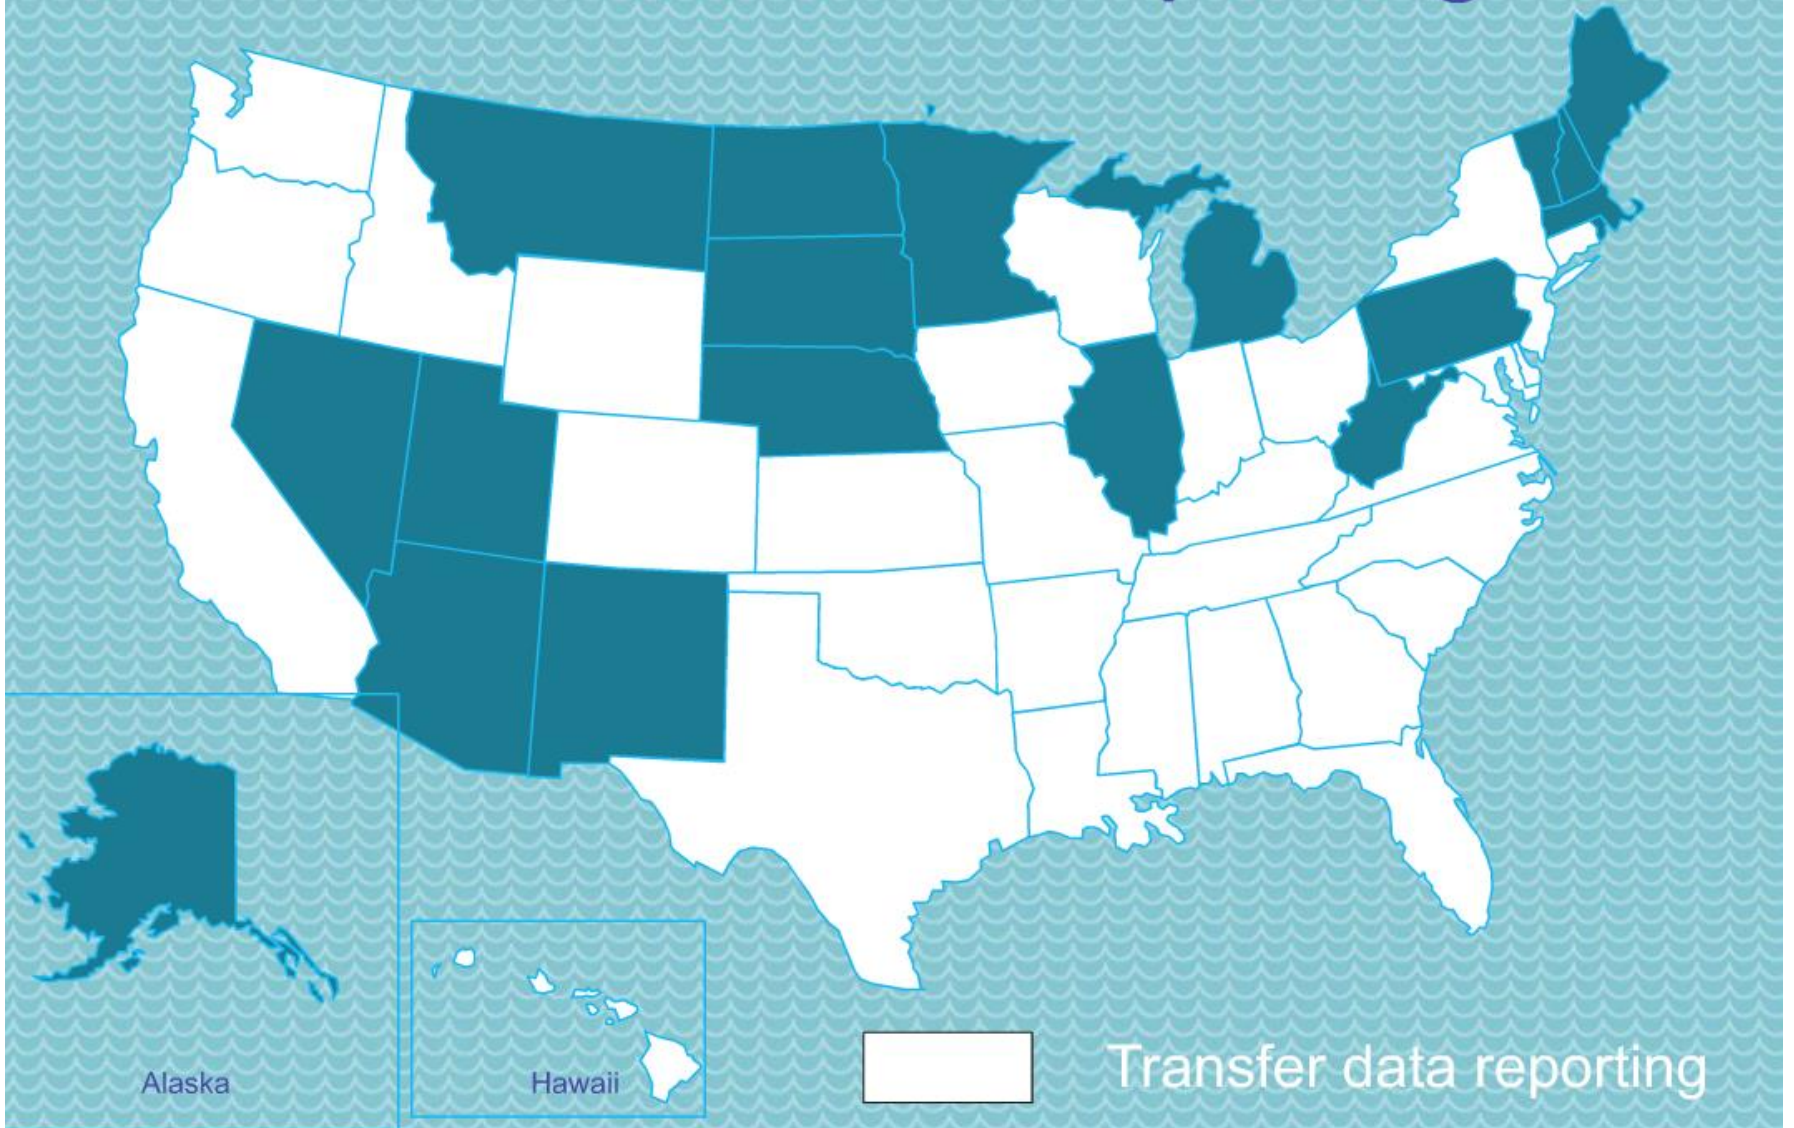

What are the important factors to students?

Humber College Winter 2013

Graduate Survey Data as cited in 2012 MYAA

Survey Years	Total # of Mohawk College graduates who participated in Graduate Survey (A)	# of Mohawk College graduates who participated in Graduate Survey who indicated that they were enrolled in a university in Ontario at six months after graduation (B)	% of Mohawk College graduates who participated in Graduate Survey who indicated that they were enrolled in a university in Ontario at six months after graduation (B ÷ A x 100)	Total # of all college graduates who participated in Graduate Survey (C)	# of all college graduates who participated in Graduate Survey who indicated that they were enrolled in a university in Ontario at six months after graduation (D)	% of all college graduates who participated in Graduate Survey who indicated that they were enrolled in a university in Ontario at six months after graduation (D ÷ C x 100)
